

Fronteras Spanish Immersion Charter School Parent/Student Agreement

As members of the Fronteras Charter School community, our family agrees to abide by the following expectations:

- Be on time with few or no absences. Excessive tardiness and/or absences greatly affect learning. Our expectations are high that students should attend school every day unless they are ill. Parents are expected to arrange for transportation to and from school each day.
- Families must place an importance on academics. Students should come ready to do their very best each and every day. We expect work to be current, complete, and submitted on time. Immersion students may have more homework than students who are learning in one language. Parents must support this additional expectation.
- Students are required to meet behavioral, safety, and dress code expectations outlined in the District's current handbook.
- Additional fees may be requested for educational materials, field trips, and extra-curricular activities. We are prepared to support families who are unable to meet this requirement because of financial difficulty.
- The support of our parents contributes to the success of our program and our school. You are a valuable member of our team. We cannot stress enough the importance of your involvement and participation in all school functions and activities whenever you are available to do so.

By signing, we acknowledge Fronteras Charter School's beginning expectations and agree to abide by them.
